Message and Aylmer Shrine Club Events

Nobles, our Christmas Parade season is quickly approaching please help support the parade group with your attendance to at least one parade this year, I personally feel that parading is one the best parts of being a Shriner. The smiles on the children's faces and adults alike, is very gratifying and that is one reward I take from parading. The second is the time spent with fellow Nobles before and after the parades, lots of laughter and cheer. To me this helps bring the Nobles closer together to help solidify bonds and friendships that will last a life time. I have many fond and proud memories of parading as an Aylmer Shrine Club member and I hope many more to come. If any of the new members of the Aylmer Shrine Club or long time club members have not been to a parade for a while, I challenge you to please come out and experience it for yourself. It is a blast!!!! Remember you only get out of Shrinedom what you put into it. "Let's work Hard, Play Hard and Have some Fun"

Fraternally Yours.

Noble Jeff Smith

President of The Aylmer Shrine Club
